What I've learned at iMentor is that for true, sustainable, and important change to happen, the day-to-day work needs to be connected to the long-term vision. While it can be difficult to see the change in the short-term, it is absolutely worth "turning the flywheel" in service of long-term and

important change.

iMentor | What I've Learned Leading Organizational ...

I'm not an expert. But I've led some change. Some successfully. Some not. And along the way I've learned a few things. Here are 7 principles that can help you successfully lead change: Establish trust. You can best lead change from a pre-established trust in your leadership.

7 Things I've Learned About Successfully Leading Change ...

I've learned that motel mattresses are better on the side away from the phone. Age 50 * I've learned that you can tell a lot about a man by the way he handles these three things: a rainy day, lost luggage, and tangled Christmas tree lights. Age 51 * I've learned that keeping a vegetable garden is worth a medicine cabinet full of pills. Age 52 *
